# Welcome to Fair Havens!

*Brian Bylsma*  
CEO of Fair Havens

On behalf of our wonderful staff and Board of Directors, it is my privilege to welcome you to Fair Havens Camp & Conference Centre, here at Five Bays on the Trent. Our prayer is that your stay with us allows you to quiet the noise of the world, focus on friends and family, and encounter God in new ways. Psalm 46 encourages us to “Be still and know that I am God”. This picture motivates us to create experiences that draw us into that deeper relationship with the living God.

This is a special year for us. It was 100 years ago that Oaklands Bible Conference began on a plot of land in Burlington, and in 1941 moved to the property we now enjoy! Originally called Five Bays Bible Conference, the name was later changed to Fair Havens Bible Conference.

Although our world looks different in 2024 than it did in 1924, the heritage of those first summer Bible Conferences still lives through the ethos and mission of what we now know, and love, about this place nestled on the shores of the Talbot River. Today, we minister to individuals, families, school groups, churches, leadership teams, special interest groups, youth groups and young adult groups 12 months of the year, hosting well over 10,000 people each year!

Living out Romans 12:2, we exist to see transformed lives, transforming lives, transforming the world, in Jesus’ name! When I see this playing out in real time through the stewardship of the property, events, Outdoor Creation Experiences, Stepping Stone discipleship, our student interns, retreats, conferences and so much more, I get excited about what God is doing through this century-long ministry.

As you walk the property, take note of the new Heritage Centre, a new Comfort Station and an updated Crump Centre and Café - all things being done to help prepare us for the next season of ministry. Please take it in, enjoy a treat of your choice at the Café, talk to your neighbour, enjoy a meal, sit around a campfire or participate in programs or games – and take a moment to be reminded of those that have come before us and celebrate what God has done.

We are blessed to be a blessing.

# R|U A DEGREE YOU CAN BELIEVE IN

**WHEN YOU LOOK** ahead, you can see adventure and opportunity on one hand – and a broken world on the other. How do those things fit together? The answer begins with the truth: that Jesus is king over all of it.

At Redeemer University, you'll have time to learn and prepare but also to experiment and explore. It's where your faith and future come together so you're ready.

**READY FOR WHAT? ANYTHING.**

# STEPPING STONES

## FAIR HAVENS

*Don't let anyone look down on you because you are young, but set an example for the believers in speech, in conduct, in love, in faith and in purity." 1 Timothy 4:12*

Stepping Stones is a youth discipleship program, which aims to bring youth towards maturity in Christ, through our 3 Pillars:

### Learning

Developing life skills and growing Spiritually, while living in Community with their fellow team members.

### Living

Putting into practice how to practically live in faith, and building off of experiences in the program.

### Leading

Being given the opportunity to learn how to lead, or to step into leadership at camp, to serve current guests.

*Our priority is to see students flourish, so they can be a light for Christ not only at camp, but in their communities and at home!*

## The Stepping Stone Program provides a great place to learn:

- Independence
- How to get out of your comfort zone
- Responsibility for yourself
- To develop social skills in a healthy and safe environment
- Community living
- Conflict resolution
- How to grow in your relationship with Christ, with people your age
- To have fun!

## Bear Sightings

Take steps to mitigate confrontation with the bear:

- Avoid leaving food outside
- Stay together as a group
- Be loud and make yourself look large
- DO NOT attempt to outrun the bear, outclimb the bear, or outswim the bear. It is better than you at these things.
